## Something went terribly wrong...

Please describe what you were doing (preferably as compact as the dude's package)  
This way we can quickly fix the bug(s) and keep Ssocial hassle-free.

Hi,  
I was just trying to do ... and then it said ...  
and i'm not really sure why but I'm pretty sure that ...  
If this happens again i'll ... your ...  
cheers,

ERROR 404...

This page doesn't exist or some other horrible error has occurred!

## The page cannot be found

Possible causes:

---

- **Baptist explanation:** There must be sin in your life. Everyone else opened it fine.
- **Presbyterian explanation:** It's not God's will for you to open this link.
- **Word of Faith explanation:** You lack the faith to open this link. Your negative words have prevented you from realizing this link's fulfillment.
- **Charismatic explanation:** Thou art loosed! Be commanded to OPEN!
- **Unitarian explanation:** All links are equal, so if this link doesn't work for you, feel free to experiment with other links that might bring you joy and fulfillment.
- **Buddhist explanation:** .....
- **Episcopalian explanation:** Are you saying you have something against homosexuals?
- **Christian Science explanation:** There really is no link.
- **Atheist explanation:** The only reason you think this link exists is because you needed to invent it.
- **Church counselor's explanation:** And what did you feel when the link would not open?
