**ABSOLUT**  
*Country of Sweden*  
**VODKA**

*This superb vodka  
was distilled from grain grown  
in the rich fields of southern Sweden.  
It has been produced at the famous  
old distilleries near Åhus  
in accordance with more than  
400 years of Swedish tradition.  
Vodka has been sold under the name  
Absolut Since 1879.*

When used consistently and correctly, latex condoms are highly effective in preventing the sexual transmission of HIV. Latex condoms are also effective in preventing pregnancy and several sexually transmitted infections. Using condoms leaves women's task of developing cervical cancer, a disease associated with HPV. Consistent use of condoms can also help people avoid HPV infection and/or reduce their risk of an infection, such as mouth ulcers.
