41 Bleeker St. NYC 10012 moved. If you right to him there it will probably be forwarded. I tried to telephone him but got someone else and information doesn't have a h number for him so you can see I put in some time on the case.

I am doing an exhibition for Hamilton College Dec. 1 based on that North Carolina catalog. Using the pages with other drawings, mailings, prints or collage. The diea idea was to do another catalog to be a catalog about a catalog but because of time and money it will be something else Elsie the Cow.

Moo.

Was out with Jackie Onassis last night. She looked very beautiful. So did Louise Nevelson.

Dallasandro seems to be in Europe acoording to Guy Flatley in the Times. Says Joe has been making movies there which are never seen in the US.

Anything sent to Andy never t gets to anyone. They put everything in a time capsule unless it means \$\$\$\$\$\$ for them.

YES YES Y ES I like your Heart Art Club. YES.

A guy in Georgia I'll have to find you his address is doing a heart show.

I can send you my Joseph Cornell heart that Betty Parsons bought after I twisted her arm.

I wore a long blonde wig last night to the Onassis party. Got a wide range of response. Met a bald headed gitl girl. We were photographed a lot.

I was told I looked like Rick Allman or Gorgeous George. It was frightful.

Suggest you write to Ed Higgins Flying Wing Nut
153 Ludlow St. # 6 NYC 10000.

Tell him Ray Nut sent toyou.

Yes I read the Voice and am trying to meet Walter Gurbo cartoonist to do his silhouette.

Dear Mick Boyle,

Welcome to the New York Correspondence School, thank you for your 18 post cards and note.

I have asked John Evans to write to you.

I have to go get a hair cut today. It is hot.

Please send me information about what you do and how you get your photo post cards printed. I assume you are part of Ellen Korrell's School? Yes. No?
