William Morris

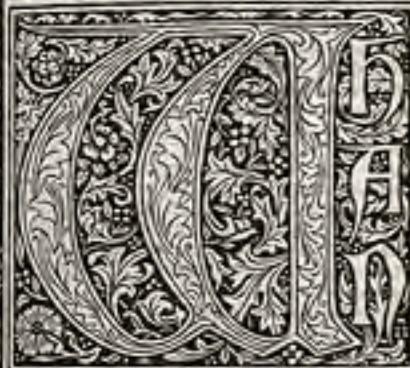

THE WOOD BEYOND THE WORLD
Chapter I. Of Golden Walter and his
father ☹ ☹

WHILE AGO
THERE WAS
A YOUNG MAN
DWELLING IN
A GREAT AND
goodly city by
the sea which had
to name Langton
on Holm. He was
but of five and
twenty winters, a fair-faced man, yellow-haired, tall and strong; rather wiser
than foolisher than young men are
mostly wont; a valiant youth, & a kind;
not of many words but courteous of
speech; nor oisterer, nought masterful,
but peaceable and knowing how to for-
bear: in a fray a perilous foe, & a trusty
war-fellow. His father, with whom he
was dwelling when this tale begins, was
a great merchant, richer than a baron of
the land, a head-man of the greatest of
the Lineages of Langton, and a captain
of the Porte; he was of the Lineage of
the Goldings, therefore was he called

the works of
Geoffrey
Chaucer
now newly
imprinted

HERE BEGINNETH THE GALES OF CANTER-
BURY AND FIRST THE PROLOGUE THEREOF

CHY. Aprille with his shoures boote
The droghte of March hath perced to the roote,
And bathed eervy veyne in swich licour,
Of which vertu engendred is the flour;
Whan Zephirus eek with his swete bresch
Inspired bath in every holt and heeth.

The tendre croppes, and the younge sonne
Fath in the Ram his halfe eours vronne,
And smale fowles maken melodye,
That slepen at the nyght with open eye.
So prillich hem nature in hir cosages;
Thanne longen folk to goon on pilgramages,
And palmeres for to seken straunge strondes,
To ferme halves, howthe in sondry londes;
And specially, from every shires ende
Of Engeland, to Caunterbury they wende.
The hooly blisful martie for to seke.
That hem hath holpen whan that they were
sick.

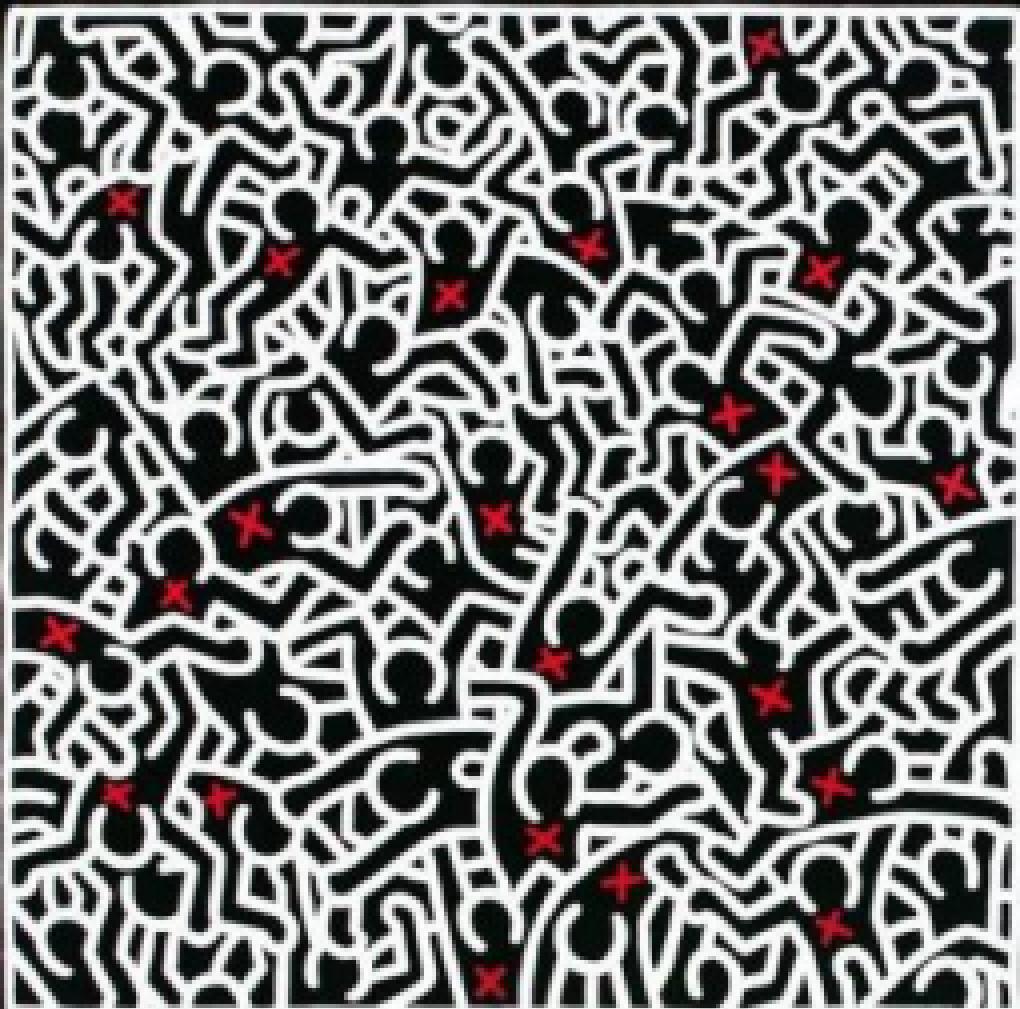

Bifil that in that soon on a day,
In Southwerk at the Tabard as
I lay,
Redy to wenden on my pilgrym-
age
To Caunterbury with ful devout
corage.
Ht nyght were come into that hostelye
Wel wyne and twenty in a compaignye,
Of sondry folk, by aventure yfalle
In felawchipe, and pilgramed were they alle,
That toward Caunterbury wolden ryde.

Keith Haring

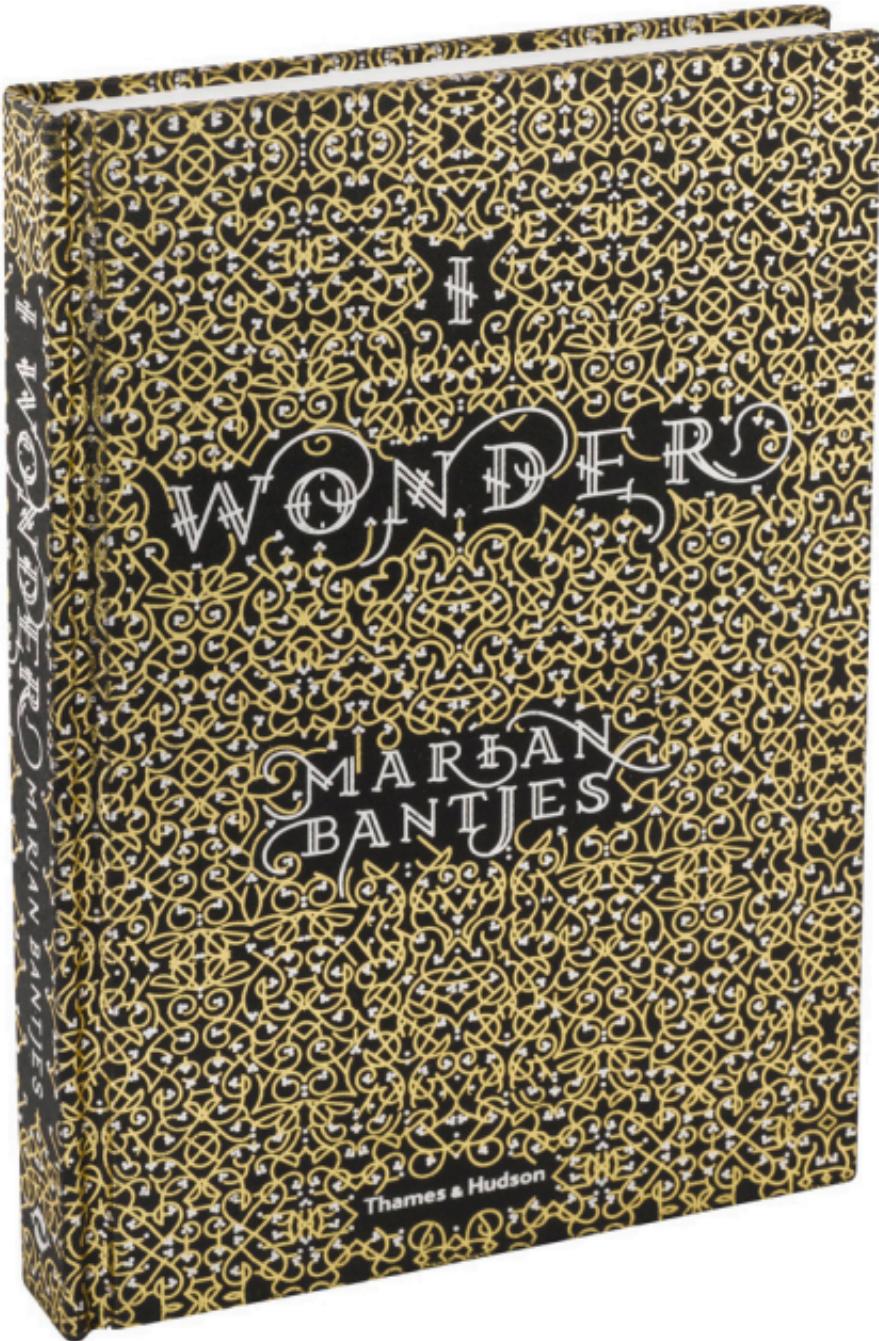

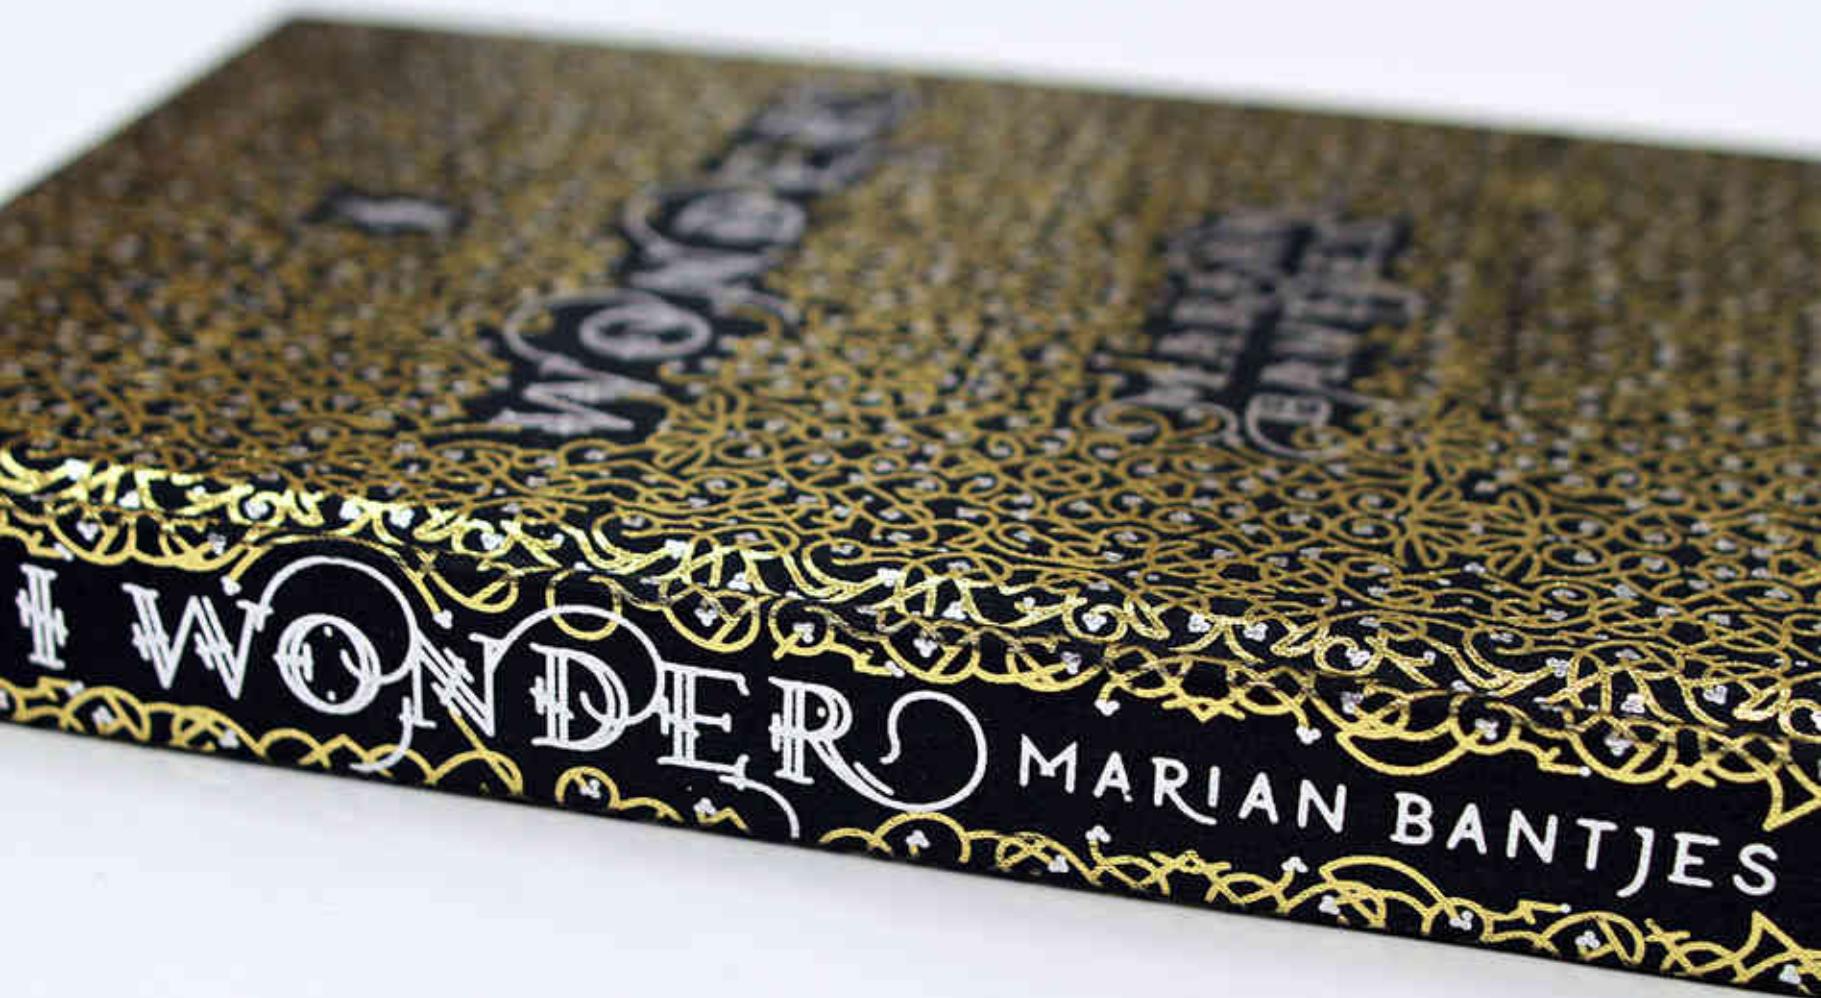

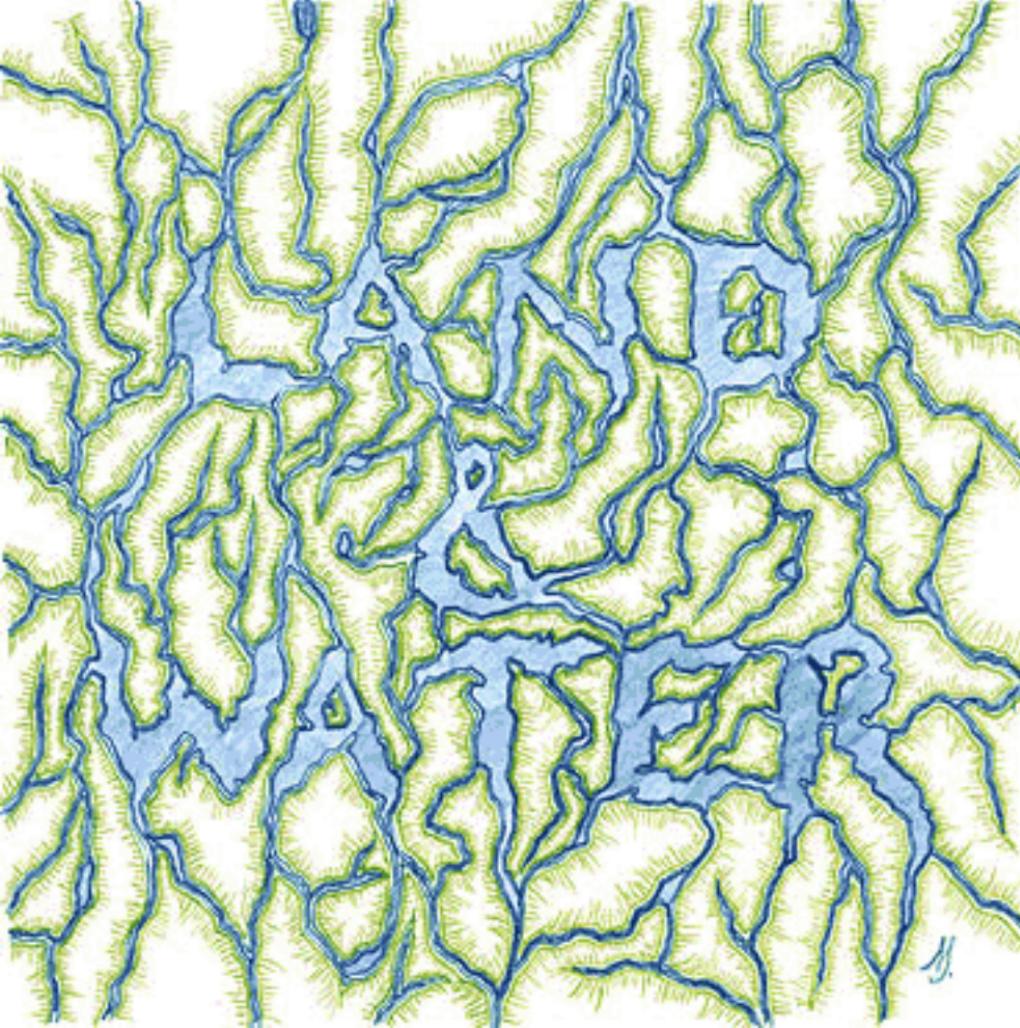

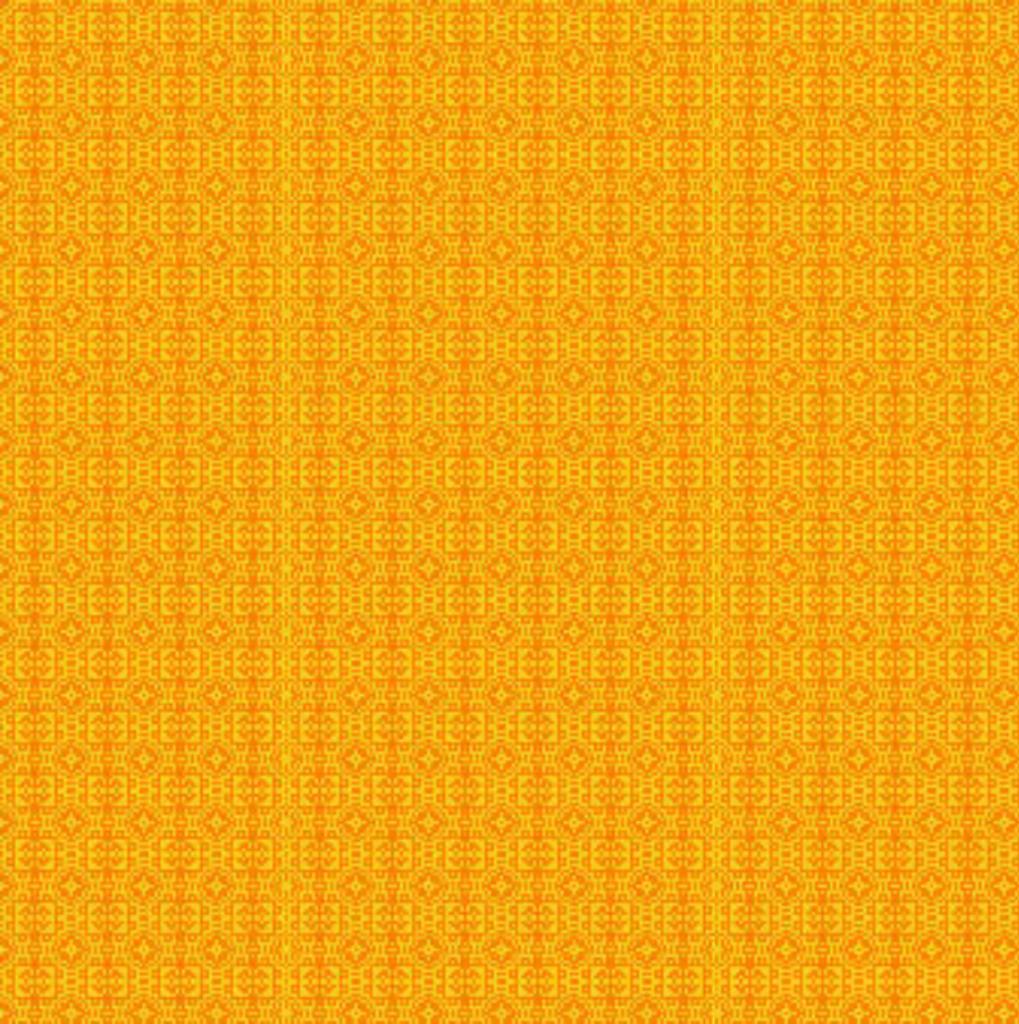

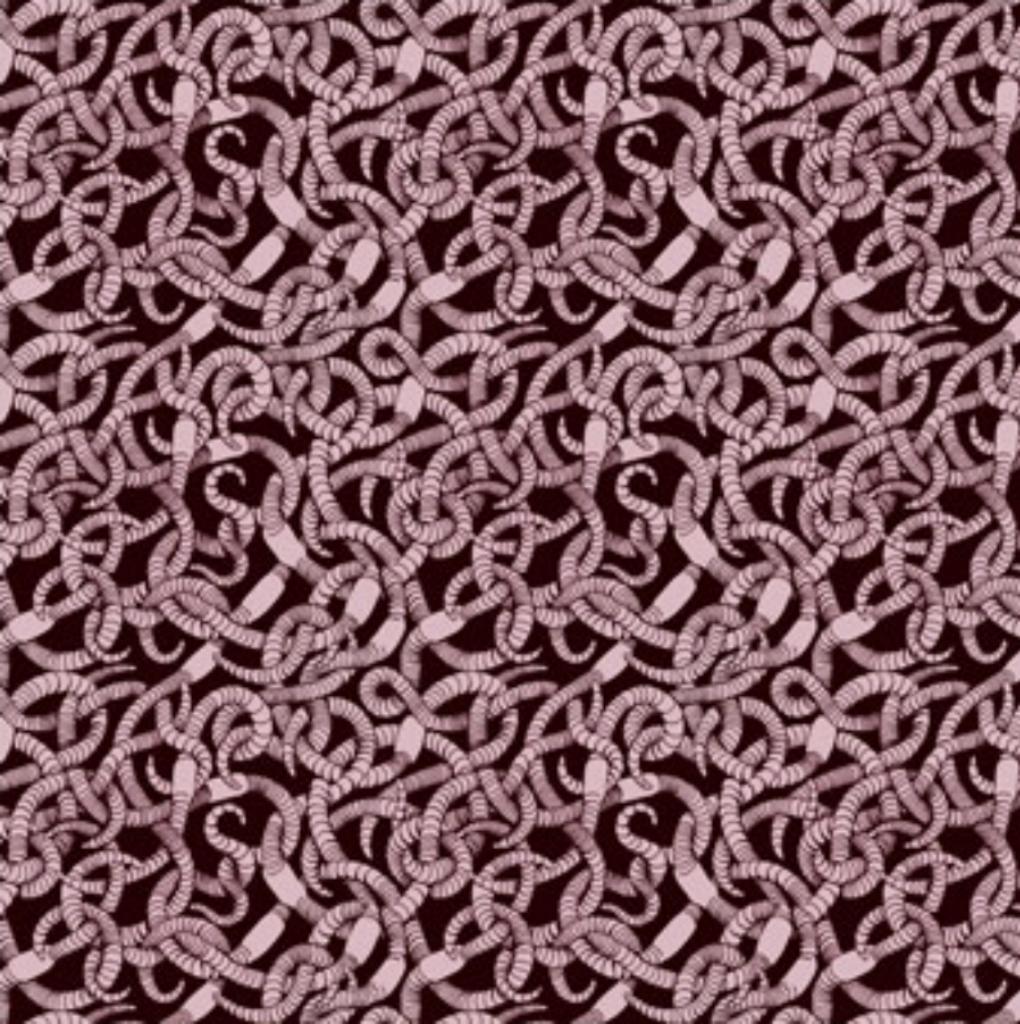

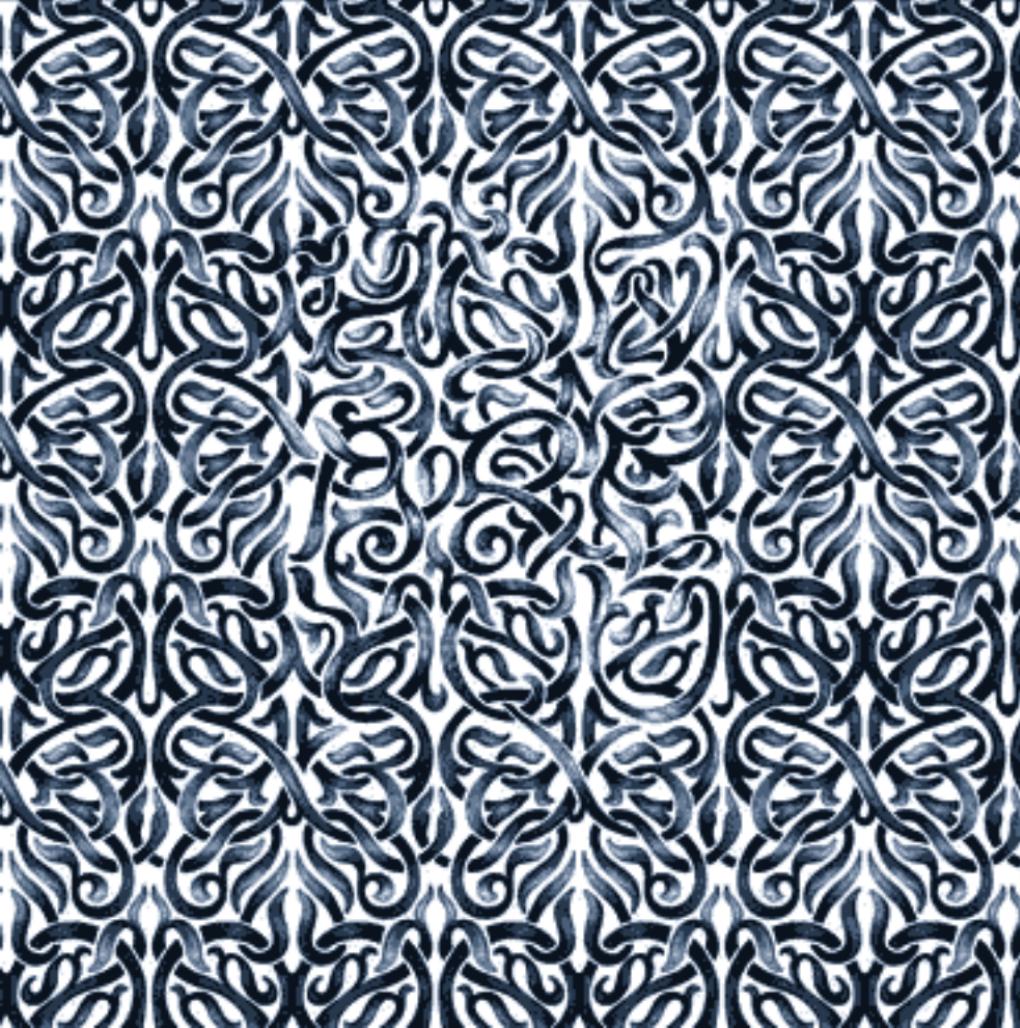

and it's because of this and because of the way
you move, and how you hold a glass in your
hand, and that contemplative look you get, as
though you were far away before you, flicker
forward again like a 1960s TV set correcting
itself - and I know it's not very romantic, to be
compared to a TV set - but it's about the light
and the image presence, you know? How you
come and go, flickering and shining - this is
what I mean. I know you think yourself dull
but you must - you really must - see the
absurdity of this and know that really it's the
opposite of dull - a sparkling, a vivacity, a wit
that draws us around you like beggars warming
our hands. And OK, you think this is over
the top and maybe even bad prose, because
you've always had better taste than I... But I
just wanted you to know that this is the answer
to those mysterious looks you sometimes
complain about; you assume the worse and it
makes you all the more adorably foolish for
your mistaking the obvious. So how can

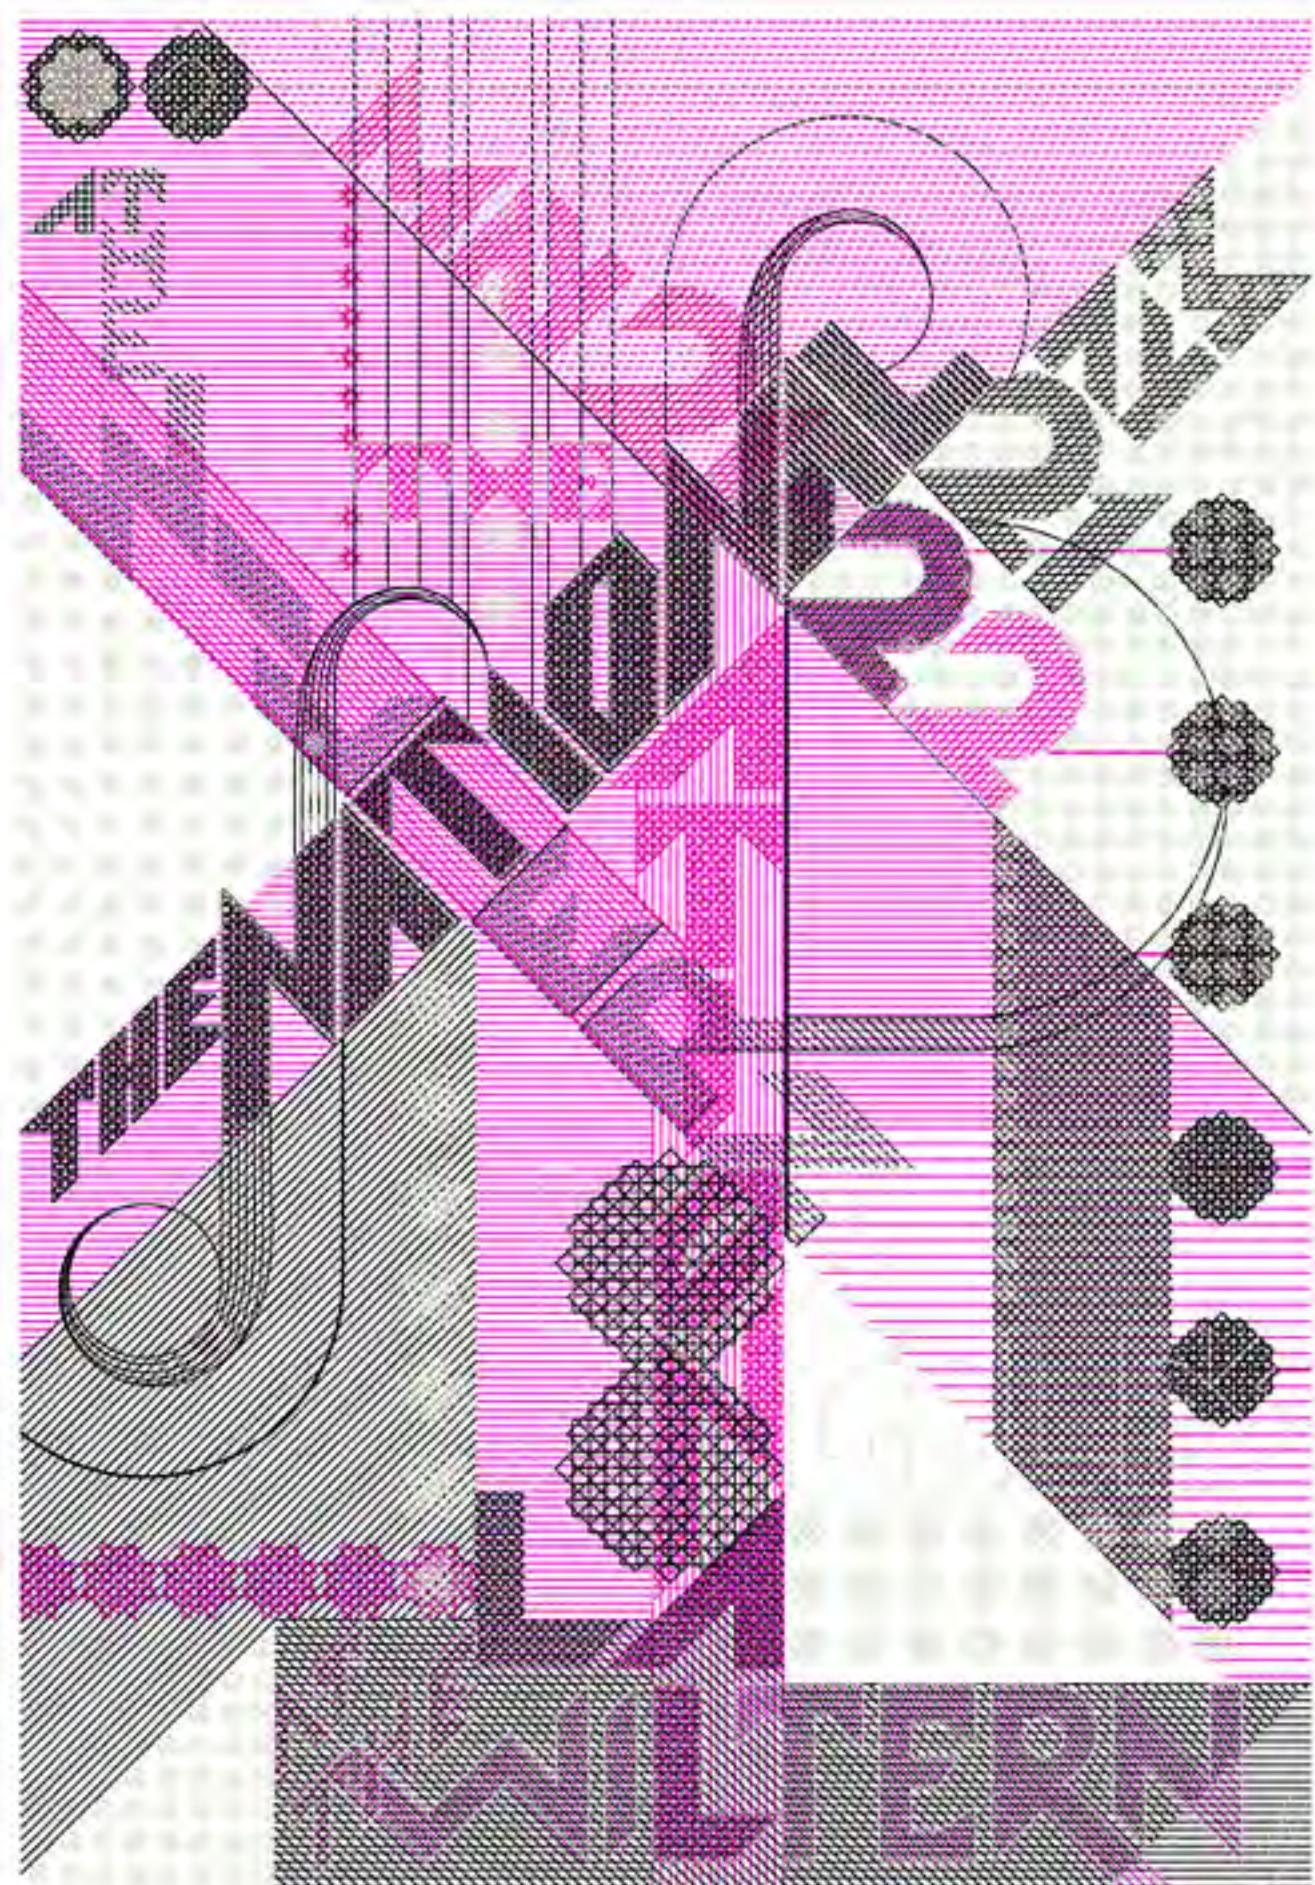

adore sweet heart
devotion love hug
Valentine darling
Name mine

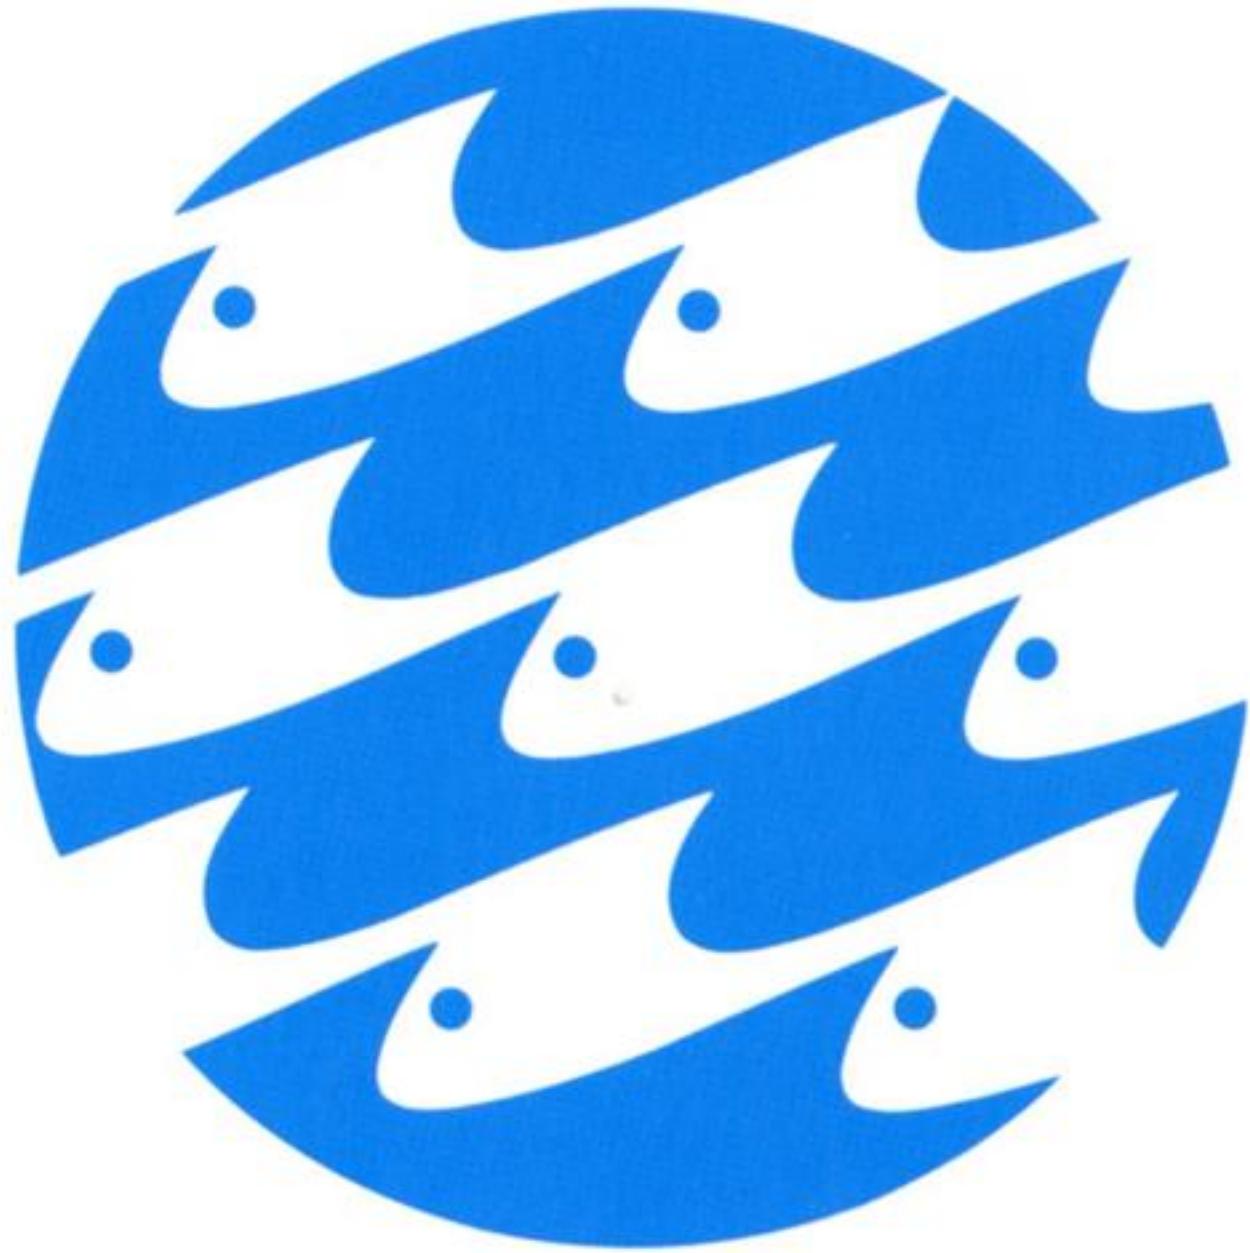

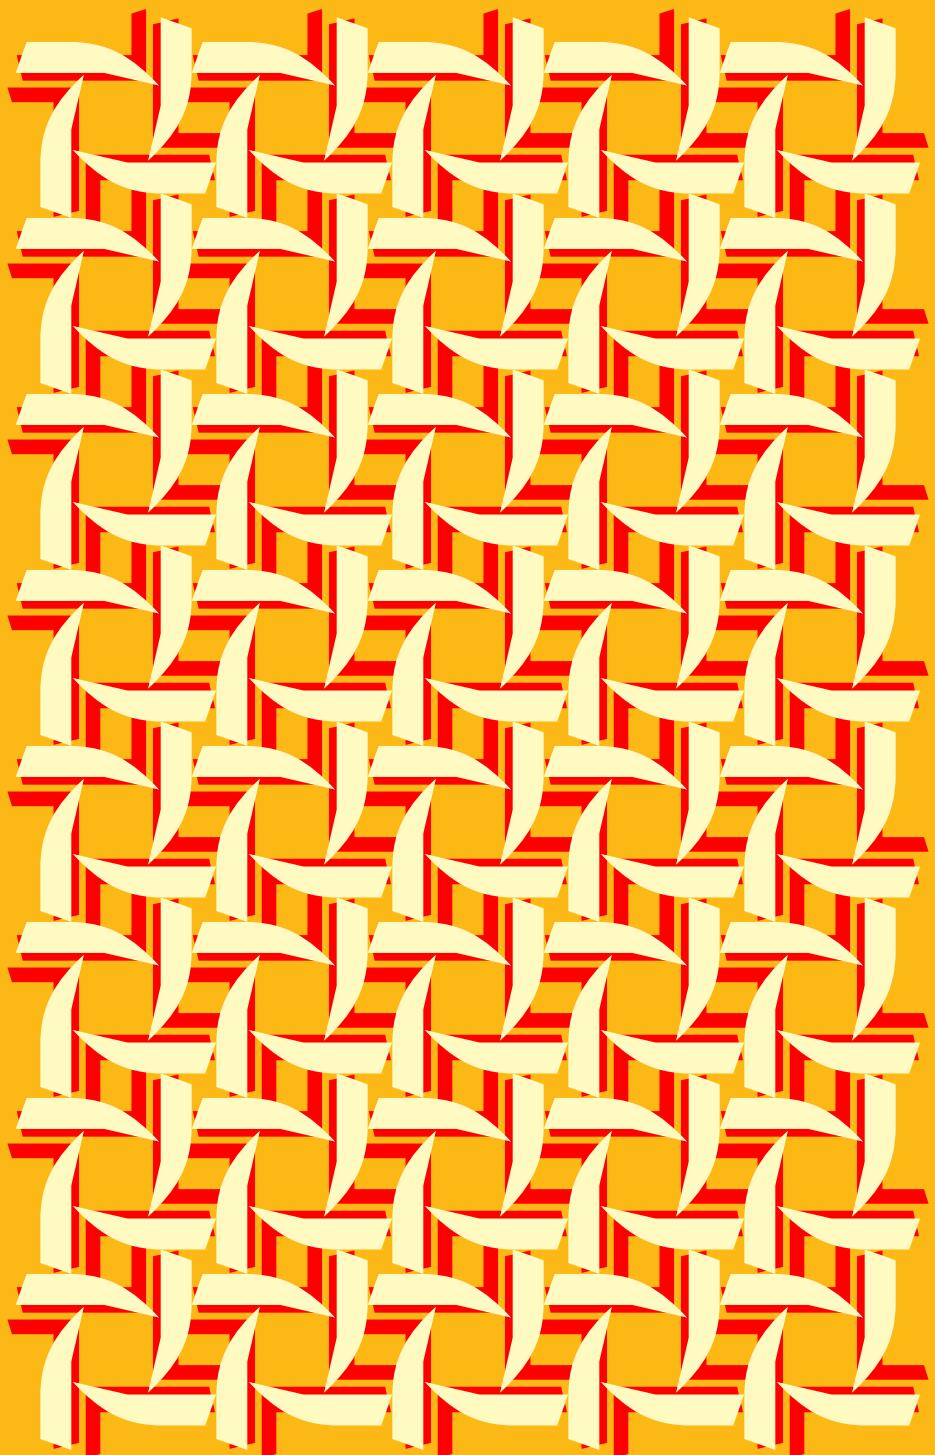

DEAREST SWEETIE,
WITH YOUR SOFT,
BLACK EYELASHES
& DELICATE LEGS
I WATCH YOU AS
YOU POINTEDLY
TREAD, WITH YOUR
WARM, TAN SKIN
FLICKERING IN
THE LIGHT, YOUR
GENTLE MOVEMENTS
ARE A DELIGHT
TO SEE, OUTSIDE
MY FENCE, AS YOU
WALK LIGHTLY
THROUGH THE
GRASS. YOUR STEP
SO SILENT AMONG
THE BRITTLE
BRANCHES AND
LEAVES, I SOME-
TIMES BARELY
SEE YOU THERE
GLIMPING ONLY
A SMALL RUSTLING
IN THE DAPPLED
LIGHT, BEFORE
YOU LEAP AWAY
INTO THE DARK
FOREST.

CSS `background-repeat` Property

« CSS Reference

[background-clip Property »](#)

Example

Repeat a background-image only vertically:

```
body
{
background-image:url('paper.gif');
background-repeat:repeat-y;
}
```

[Try it yourself »](#)

Definition and Usage

The `background-repeat` property sets if/how a background image will be repeated.

By default, a `background-image` is repeated both vertically and horizontally.

Default value:	repeat
Inherited:	no
Version:	CSS1
JavaScript syntax:	<code>object.style.backgroundRepeat="repeat-y"</code>
